

# **Prayer for Protection**

## *Praying Psalm 91*

***Father, You are the Most High God and I praise You. Hide me in Your presence and let me live under Your almighty shadow.***

***You are my refuge and my fortress. You are my God and I will trust in You.***

***Father, deliver me from all the snares and schemes of the enemy. Protect me from danger and trouble.***

***Cover me and let me find refuge in the shelter of Your arms. Let Your truth shield me and surround me.***

***I trust in You Lord, day and night, and I will not be afraid of any attack of the enemy. I will not fear things I can't see and I will not be intimidated by the things I can see. You are my God.***

***Others may be defeated, but I trust in You and I know You will give me the victory. The trouble and pain that comes to the wicked because of their evil choices will not effect me.***

***I have made You my refuge, my Lord. Oh Most High God, You are my home and the place I find rest. Because of that, I know that no evil will overtake me and I will dwell in health and peace.***

***Surround me with Your holy angels and let them guard, protect and lift me up above and away from all that would hurt me.***

***Through You, Lord I will trample, crush, and defeat every enemy regardless of how they attack me.***

***I set my love on You, Lord. Deliver me. Lift me up and teach me to know You more.***

***You are the one I call on and I know You will answer me. Even though I may face trouble, I know You are with me and will deliver me. Continue to honor me with Your presence.***

***As long as I live, let me be fulfilled and find my purpose in You. Make me fully aware of what Your salvation has done in my life.***

***In Jesus' name I pray these things. Amen.***
